CIVIL DISTURBANCE KIT

Introducing the Civil Disturbance Kit (CDK)

The CDK allows responding officers to quickly decontaminate, recover, and return to their mission. This lightweight, discreet kit can be used by public safety officials, law enforcement, fire, EMS, and members of the public alike.

Individual Kit Contents

- 1. Packaging** - chemical resistant, discreet MOLLE pouch, vacuum sealed contents
- 2. (2) FiberTect Mitts** - for immediate bulk absorbent/adsorbent removal of contaminants
- 3. Ophthalmic Saline** - for flushing eyes

- 4. 60-Second Bottle of Pure O2** - to speed recovery from riot control agent exposure
- 5. Shower Bottle Cap Adapter** - threads onto any plastic water bottle and can be used for immediate dousing of contamination where appropriate
